ACTING EXECUTIVE OFFICER

For your information and review, please see enclosed two election-related resolutions adopted by the Westlake Village City Council on May 27, 2015.

Specifically, Resolution No. 1789-15 calls and gives notice of the holding our general municipal election to be held on November 3, 2015, while Resolution No. 1790-15 states that the City will operate its own election this year and further requests that the County render certain services to the City relating to the conduct of the election.

The Las Virgenes Unified School District adopted Resolution No. 26-14 to consolidate their school election (as it occurs within our City boundaries) with our general municipal election.

Once again, please be informed that the City will be conducting its own election this year. However, pursuant to Resolution No. 1790-15, our City still respectfully requests certain assistance from your office (i.e., computer records of the names and addresses of all eligible voters in the City and printed indices of the voters to be used by the precinct boards, etc.) in the conduct of our election. Additionally, I should point out that our City will be contracting with the firm of Martin and Chapman to assist us with our election this year. Representatives from that firm will be pleased to work with your staff in handling any coordination that may be required in having the Las Virgenes Unified School District consolidate its election with our City's general municipal election.
